LOCAL EXPERTISE AND INFORMATION FOR THE BUSINESS TRAVELLER

VANCOUVER

*Great place for a
business dinner*
Tableau Bar Bistro

Recently anointed with a Five-Star Diamond Award, the Loden Hotel's bistro marries old-school French to refined modernism in decor and on the plate. Chef Marc-André Choquette (once chef de cuisine at Lumière) deftly knocks classic steak frites and halibut à la Grenobloise out of the proverbial park in a checker-floored room that drips with style. Wine-savvy service glides.
